Personal Items: Pete & Mac's recommends against bringing personal items from home as they may cause, not reduce, separation anxiety for your pet. Pete & Mac's will not be held liable for any lost personal items.

Medication and Treatment Authorization: The owner agrees that Pete & Mac's may, in its discretion, give medication or other attention when we deem it necessary for the safety and health of the animal. Pete & Mac's is authorized by the owner to seek veterinary advice or care, including emergency care, at the owner's expense. If we believe that your pet is in need of veterinary care, if time permits we will try to contact you before obtaining that care, but this document serves as our authorization to obtain veterinary care for your pet regardless. The owner is responsible for expenses of veterinary care and transportation, whether or not you have been reached in advance. By signing this Authorization, you give Pete and Mac's authority to make care decisions regarding your pet; and agree to pay for all costs incurred for said treatment. This Authorization applies to pets at Pete & Mac's for any purpose, including but not limited to: boarding, grooming, daycare, and training. _____ (Initial)

Geriatric Pets: Older pets may experience additional stress in the boarding, daycare, training or grooming environment. Pete & Mac's is dedicated to providing exceptional care for pets, including geriatric animals. Your signature acknowledges that you are aware of any age related risks to your pet. We do not offer a "Do Not Resuscitate" option for any pet staying at Pete & Mac's regardless of age.

Group Play/Daycare Authorization: Involves dogs interacting and playing together. Dogs in daycare or group play (or group potty breaks) may play in the pool, toss toys, and romp with other canine guests. Although these activities are supervised, anytime dogs play together, there is the possibility of injury from rough play or combative behavior. There is also an increased risk of transmission of ailments such as coughs, colds and parasites when dogs come into contact with one another. It is advisable to ensure that your dog is on a deworming protocol with your veterinarian. Just like human children in daycare, risks of upper respiratory infections occur in group play at dog parks, on the sidewalk or at Pete & Mac's. Dogs in daycare or group play may be outside for extended periods of time and may get wet. Your signature acknowledges that you are aware of the risks involved with any canine group activities, that you agree to hold Pete & Mac's harmless for the associated risks and are authorizing your dog to enter into our group play or daycare program. _____ (Initial) **I want my dog to participate in Group Play or Daycare** Yes, always. No, never. Will decide on a visit by visit case.

This Authorization and Release will remain in force for all my pet's visits to Pete & Mac's, for any services including but not limited to boarding, grooming, daycare, or training.

I hereby agree to the foregoing as the owner of the aforementioned pet(s). ***I further certify that my pet(s) is (are) in good health and have not been ill with any communicable condition nor exposed to any communicable diseases within the last 30 days. Moreover, I certify to the accuracy of all information given about my pet(s) and that my pet(s) have not harmed or shown aggressive or threatening behavior toward any person or animal.
